

Pi-5 Pro

Five-star case and fanless cooling for Raspberry Pi 5

Premium aluminium cover acts as an efficient heatsink, cooling the Raspberry Pi 5 stylishly. Equipped with strategically placed dual aluminium cores to whisk heat away. The case optimises performance, supports various interfaces, and suits overclocking, media, and DAC enthusiasts, enhancing your setup's sophistication without compromising on the Pi's potential.

KEY FEATURES

Durable Simplicity, Timeless Design

The Pi-5 Pro case for the Raspberry Pi 5 boasts a top cover that draws inspiration from the sleek, straight lines emblematic of Art Deco design, radiating contemporary elegance. Seamlessly marrying simplicity and durability, it showcases distinctive, crisply defined contours that epitomize the finesse of this style.

Keeping the Core Cool

Dual aluminium cores coupled with hi-performance thermal pad conducts excess heat away from the four key hot zone of the processor, memory, PI and Ethernet chips to the aluminium body. Keeping your Raspberry Pi 5 cool and running smoothly without thermal throttling

Superb Cooling Performance

Excess heat from the custom made dual aluminium cores are effectively transferred to the all-aluminium body which acts as a heatsink to dissipate the heat to the surrounding. Ensuring the Raspberry Pi 5 runs at optimal thermal performance, even under higher loads.

Access to Rich Connectivity

Full connectivity support including GPIO, micro HDMI, Ethernet, USB, camera and display connectors. Purpose-designed Wi-Fi signal window to optimise Wi-Fi and Bluetooth signal connection.

Launch Date

February 2024

Product Code

A-RA13-M1B

Key Words

Raspberry Pi 5, Single Board Computer, Pi 5, Raspberry Pi, RPI 5

SUPERB DESIGN ENGINEERING

SPECIFICATION

Material	Black sandblasted anodised aluminium
Dimensions	68.5 x 96 x 33.3 mm
Motherboard Support	Raspberry Pi 5
Input/Output Openings	USB 2.0 Type-A x 1 USB 3.0 Type-A x 1 Ethernet Jack x 1 USB Type-C Power Jack x 1 Micro-HDMI x 2 Wi-Fi & Bluetooth Window x 1 SD Card & On/Off Button x 1 LED x 1 GPIO x 1 Camera/Display x 2
Product Code	A-RA13-M2B

PACKAGING INFORMATION

Net Weight (g)	196.5
Gross Weight (g)	236.7
Package Dimensions (mm)	117 x 83 x 47
Master Carton Dimensions (mm)	450 x 240 x 270
Units per Master Carton	50
Barcode	4710679552972
