- High-quality aluminium and superior synthetics

Advanced light for outdoors
- High power LED
- Philips offers a 5-year warranty on the LED module and driver

Special characteristics
- Weather-proof
- Long operating life of up to 25 years

Highlights

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Long operating life

A light source you can trust. The LED bulb, delivered with this Philips LED lamp, will last up to 25,000 hours (which equals 25 years on the basis of an average use of 3 hours/day with at least of 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality die-cast aluminium and superior synthetics.

Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water. This product is most common and ideal for general outdoor use.

High power LED

Philips outdoor lighting uses the latest state-of-the-art LED technology. It offers strong light output, high light quality and a long lifetime.
