SanDisk Ultra® Slider

USB Type-C™ Flash Drive

A simple, retractable flash drive for your USB Type-C™ devices

The SanDisk Ultra® Slider USB Type-C™ Flash Drive delivers speedy, simple storage for your USB Type-C™ devices. From vacation videos to work presentations, you can easily transfer and access your files at read speeds of up to 400MB/s[2] (128GB - 1TB[1] models). Enjoy worry-free, on-the-go storage thanks to two convenient features: a keyring for clipping your device to your keys or favorite bag and a smoothly retractable connector that helps prevent wear and tear. With its minimalist design, rapid speeds, and portability features, the SanDisk Ultra® Slider USB Type-C™ is a great on-the-go accessory for your on-the-go life.

HIGHLIGHTS

- Easily move files across your USB Type-C™ devices with a retractable USB Type-C™ connector.
- Make room for more with up to 1TB[1] of expansive storage space.
- Quickly transfer and access your files at read speeds of up to 400MB/s[2] (128GB - 1TB[1] models) with USB 3.2 Gen 1 performance.
- Minimal, yet durable design with a retractable connector helps you avoid wear and tear.
- Clip your drive to your favorite bag or keys with a convenient keyring hole.
- Control your personal data with our data recovery software[3].

SanDisk Ultra® Slider

USB Type-C™ Flash Drive
