Pro Keyboard Case with Magnetic Stand

Transform your iPad into a laptop for greater productivity. Our **Bluetooth®** keyboard pairs to your iPad to offer the ease of use of an external keyboard with the added defense of a protective cover. The premium faux leather exterior protects your tablet from accidental drops and bumps while a soft anti-slip interior protects your screen from scratches. This case will hold your iPad in landscape mode and adjust to your preferred viewing angles — perfect for working, writing or watching videos. The compact design of the protective case and Bluetooth keyboard makes it easy to carry, allowing you to work anytime and anywhere.

Product Benefits

- Backlit Bluetooth keyboard for easy viewing
- Multi-gesture controls on the touchpad allow users to scroll and navigate with familiar functions
- Auto wake/sleep when opening
- Large, click-anywhere trackpad
- Space for magnetic storage of Apple Pencil (not included)
- Multimedia keys for added convenience
- Long-lasting 600mAh battery
- Internal keyboard battery holds charge independently from iPad
- Slim, portable design
- Floating cantilever design allows for magnetic device attachment
- 100% plastic-free packaging

Package Includes
