6C Angled Keystone Adaptor

6C Angled Keystone Adaptor (KA645Whpt, KA645Bkpt)

6C shutterless keystone adaptor in both black and white.

Features:

- Allows for standard sized keystones to be used in “6C” style faceplates
- Available in both white (for standard faceplates) and black (used in floor boxes etc.)
- Angled adaptor allows for reduced bend radius and better performance especially with more shallow back boxes
- Compatible with all of our keystone ranges (excepted our 90° angled keystones)

Specifications:

- Net weight (incl. packaging): 4 g
- Dimensions (incl. packaging): 45 x 70 x 25 mm
- Colour: White (KA645Whpt) and Black (KA645Bkpt)
- Materials: ABS UL94V Polycarbonate

Packaging: Individually poly bagged and then bagged in 20s
