

TCP WHITE GLASS PANEL HEATER 2000W

The TCP 2000W Glass Panel Heater combines sleek white-glass design with smart, efficient heating for rooms up to 20m². With weekly programming, a 9-hour timer, window detection, and anti-frost mode, it offers customizable comfort and energy-saving features. Quiet, stylish, and safe with overheat protection and IP24 splash resistance, it's ideal for living rooms, bedrooms, or offices—wall-mounted or freestanding.
