Ultra Strong Cable Reel Range

Sku: ECR15HD

15m 13A 4 Socket Heavy Duty Reel

Product Details

Ultra-Tough 15m Professional Extension Reel with 4 Power Sockets - Perfect for Workshops, Construction Sites & Outdoor Use

Unleash the power of reliable, versatile electrical connectivity with our premium heavy-duty 15-metre cable reel. Engineered for professionals and DIY enthusiasts who demand robust performance in challenging environments.

🌟 Key Features:

- High-Visibility Orange Cable: Enhanced safety with bright, easy-to-spot coloration for maximum visibility in work areas
- Durable 4-Socket Design: Simultaneously power multiple tools and equipment with integrated quad socket system
- Heavy-Duty Construction: Rugged, impact-resistant casing protects against drops, impacts, and harsh working conditions
- Extended 15-Metre Reach: Provides generous cable length for maximum flexibility across large workspaces
- Thermal Overload Protection: Built-in safety switch prevents overheating and electrical risks
- Rust Proof Frame: Thick strong frame with additional welds unique to our products, coated against rust

BSEN61242

Ideal for construction sites, workshops, garages, and outdoor projects, this cable reel combines exceptional performance, safety, and convenience. The robust design ensures long-lasting reliability, while the compact reel mechanism allows for easy storage and transportation.

Technical Specifications:

- Cable Length: 15 metres
- Socket Quantity: 4
- Cable Color: Orange
- Rating: 13A
- Cable Type: H05VV-F
