

MX-12B White

MX-12B-WE-W-EC

- PRODUCT Introduction

The Casio **MX-12B White** is the **upgraded** version of the **MX-8B White**, the UK's best selling desk calculator

- Large and clear 12 digit display
- Dual powered (solar with battery backup)
- Percentage Calculation
- 3-Key Memory
- 3 Digit Comma markers
- Function command indicator
- Key for changing plus/minus sign

This basic desk model has a clear 12 Digit display & is easy to use. It is dual powered and performs the major basic functions: addition (extra big key), subtraction, multiplication and division & percentage. It also has a square root key and positive and negative number key. It also incorporates a 4-key memory function and a Mark up Key (MU).
