- DCF radio clock which automatically adjusts to the world's most accurate clock
- The time zone can be set manually if the DCF time differs from that of the time zone
- DCF radio signal can be switched off completely when not in use
- Comfort indicator shows state of indoor climate with three symbols: neutral face, laughing face and sad face
- Displays indoor and outdoor air humidity
- Outdoor sensor with temperature and air humidity display
- Know the weather for tomorrow in advance: with the weather station featuring predictions for the following day, you're ready for rain, heat or snow
- Displays a weather forecast with seven symbols: sunny, slightly cloudy, cloudy, rainy, heavy rain, snowfall, heavy snowfall
- Two alarm times programmable, ideal if two persons get up at different times
- Speed alarm wakes up sleepyheads with an increasing alarm speed
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Radio weather station in a modern, compact design
- Battery capacity display
- White LED backlight
- Intuitive operation with four touch sensors on the display
- Up to three wireless outdoor sensors can be connected
- Control light for transfer
