3G F connector female to female keystone coupler

KCF3Gwh (front)

KCF3Gbk (back)

High performance 3G F connector female to female keystone coupler (KCF3G)

This keystone can be used to extend a HD F-connection, such as in satellite cabling for HD signals. Precision manufactured with high quality components, this professional, broadcast standard connector is capable of outstanding electrical performance (up to and beyond 3 GHz).

Features:

- Connector: F female to F female
- Impedance: 75 Ohm
- Easy screw connector on both sides
- Ideal for HD cabling for satellite installations
- Also available in Panel Mount and D UNIVERSAL versions – see images below

Materials:

- Colour –black or white keystone mount, ‘silver’ connector body, blue insulator
- Materials: connector body - brass; insulator – POM coloured blue; contacts – gold plated; keystone housing - ABS UL 94V-0
- Weight: 6g approx
- Dimensions: 25.5 x 16.3 x 22.3mm
