Article number:	95 Vario	**Country of origin:**	CZ
		Customs tariff number:	82054000

- T-handle screwdriver for the transmission of particularly high tightening and loosening moments
- Ergonomic 2-component handle with finger handle recesses and pleasant surface feel for very high power transmission and fatigue-free working.
- Vario T-handle for 6 mm Vario blades and adaptor

T-handle screwdriver: The ideal handle shape to allow high torque transmission in difficult tightening and loosening situations. The ergonomic shape of the handle fills the palm of the hand well, the fingers lie safely in the soft rounded handle recesses. The whole hand makes contact with the handle and friction losses between the hand and the handle are avoided.

95 Vario T-handle for Vario blades, 6 x 60 mm

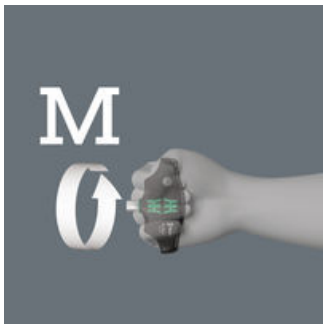

Kraftform Kompakt Vario without Ratchet Function - 6 mm Vario blades and adaptors.

Ergonomic 2-component T-handle

The ergonomically shaped 2-component T-handle with finger recesses and pleasant surface facilitates very high power transmission and fatigue-free working.

High torque transfer

By using the blade as an extension of your lower arm you can transfer particularly high torque.
