

DATASHEET

Signature Slim Wired K620 For Business

Designed for workplaces that require wired solutions, Signature Slim Wired K620 for Business offers employees an improved user experience with laptop-style keys that are designed with a subtle scoop to provide high-quality, fluid typing. Works with multiple OS and features shortcut keys such as the AI Launch Key.

- **Wired keyboard with improved typing:** Laptop-style keys are thoughtfully designed with a subtle scoop to deliver a fluid and precise typing experience that your employees will love.
- **Unlock AI tools with one keystroke:** Seamlessly add AI companions to improve ways of working. Press the AI Launch Key for instant access to *Copilot* in a *Windows* setup or *Gemini* for *ChromeOS*, if available on your device.[1]
- **Productivity shortcuts:** Enhance workflow with additional shortcuts such as meeting control keys and a dedicated Action Key. Customizable with Logi Tune or Logi Options+.[2]
- **Quiet typing:** Stay focused with low-profile, quiet keys that are light to the touch.
- **Improved power efficiency:** Signature Slim Wired keyboard is designed with a power-saving model to consume 49% less energy.[3]
- **Designed for sustainability:** Made with 66% post-consumer recycled plastic[4] and shipped in FSC™-certified packaging to reduce impact on the environment.
