LUGGED – 12vdc 5A (60W)

TIGER PART: TP1018-W-EU

Features:

- Supplied with fixed UK mains cable
- Universal 100-240vac input voltage
- Class II design
- Level VI efficiency
- Approved to latest EN62368-1 safety standard (UKCA and CE)

The Tiger Power range of lugged power supplies feature a fixed AC cable which helps prevent accidental disconnection from the mains supply. The AC cable can be supplied either bare ended or fitted with a UK or Euro plug.

The model TP1018-W-EU is supplied with a Euro mains lead as standard. The screw holes which are integral to the plastic enclosure enable the power supply to be fixed down. Approved to latest safety and efficiency standards, these power supplies are suitable for a wide range of applications.
