MAINS TRAVEL ADAPTOR WITH 2 x USB
PEL01269

⚠ IMPORTANT PRODUCT SAFETY INFORMATION ⚠

- ✓ **DO check whether the adaptor allows for ground (earth) connection.**
- ✓ **DO** check your appliance earth requirements, some products must only be used with grounded/earthed sockets and adaptors.
- ✓ **DO** ensure the adaptor is firmly engaged with the socket.
- ✓ **DO** check that the adaptor is suitable for your local mains voltage and socket.
- ✓ **DO** check that plugs and sockets are undamaged before use.
- ✓ **DO** check that the appliance to be used is suitable for use with the local mains voltage.

- ✗ **DO NOT** use as a permanent solution to socket conversion.
- ✗ **DO NOT** exceed the total maximum load for the mains sockets being used.
- ✗ **DO NOT** push objects other than the appliance plug into the adaptor outlet sockets.
- ✗ **DO NOT** use in damp or wet conditions.
- ✗ **DO NOT** use outdoors - for indoor use only.

RECOMMENDED USAGE

✓ Temporary use during overseas travel only.

Converts plug types:

Type G – As used in the United Kingdom, Ireland and many other countries including Singapore, Malaysia, the United Arab Emirates, Saudi Arabia, Cyprus, Malta, Hong Kong, Qatar, Oman and Kuwait.

To mains socket type:

Type E – As used in Belgium, France, Poland, Germany, Italy, Hungary and many other countries including Monaco, Morocco, Slovakia, Tunisia, Czech Republic and Mongolia.
