Novopro SSCRIM1 Black, 1 sided Speaker Stand Scrim

- Black single sided triangular speaker stand scrim
- Gives your setup a cost effective and more professional appearance
- Can be used for decorative and rear illumination effects or used to simply hide any untidy cables
- Unique and practical Novopro design with velcro holding the top of the scrim in place (3 x Velcro sticky pads supplied)
- Edges fit around and under the feet of your stand
- The scrim stretches and has elasticated edges for a tensioned fit
- Carry bag included
- Machine washable at 30 degrees
