Product Details

The Master Lock No. 8274EURDPRO U-Lock with End Looped Cable features a 11cm wide hardened steel body for maximum strength and reliability. The 16mm diameter double locking shackle is 21cm long and made of hardened steel, offering extra resistance to prying, cutting and sawing. The disc key cylinder prevents picking. The end looped cable is 1,2m long and features 10mm diameter for additional security. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
